

# TELL A FRIEND . . . SHARE THE Y

Do you enjoy the Y? Then why not invite friends or family members to join? You'll feel good that you have motivated them to begin a healthier lifestyle and you'll both receive a free month of Y membership!

## Here's how it works:

1. As a current Y member, you invite a friend to join by giving him or her a referral form.
2. Your friend brings the referral form when he or she joins.
3. If your friend joins, both of you receive a free month of membership! (See full rules below.)

At the Y, you're a member of something special: the nation's leading nonprofit dedicated to youth development, healthy living and social responsibility. We appreciate your continued support of the YMCA.

## Promotion Rules and Eligibility:

### New Members:

- New memberships must be full membership types only. Adding members onto a current membership is not eligible for this promotion.
- New memberships are defined by the following types: Youth/Young Adult, Adult, Single Parent Family, Household, Senior Adult, Senior Couple. Memberships are counted by household units, not by the number of people in a household.
- The new member will be responsible for paying the joining fee or agreeing to a one-year commitment and the prorated amount (amount remaining until first draft) at the time of sign-up.
- If the new member is a former member of the Y, he or she must have cancelled the membership a minimum of 60 days ago.
- New members must join the Jefferson City Area YMCA.
- The new member must notify the Y Service Desk of the referral at the time of joining.
- This offer is not retroactive if a referred member joined and did not present the referral form at the time of joining.
- If a new member joins during a Y membership promotion time, the current member will receive a free month for the referral and the new member will receive the benefit offered during the promotion. The new member will not also receive an additional free month.

### Current (Referring) Members:

- Current Y members receive one free month for each new referred membership unit sold.
- A member can refer up to six new memberships for a total of up to six free months per calendar year. If you are a new member who joined because of a referral, you can invite up to five more new members for a total of six free months per calendar year.
- If a referring member currently pays no monthly dues out-of-pocket, he or she is eligible to receive \$20 in coupons towards Y programs.
- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- Current members must belong to the Jefferson City Area YMCA.
- If the new member is waiting to be approved for scholarship, the current member does not receive a free month (or \$20 in coupons) until the person activates their scholarship membership.
- Current members who paid a year up-front and refer someone will receive the credit amount toward his or her next membership renewal.

### Additional Notes:

- This special is only valid when a current member of the Jefferson City Area YMCA refers a new member to the Jefferson City Area YMCA.
- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- The Y will issue no cash back for this promotion. If the member terminates their membership or loses membership privileges before receiving their free month(s), they will lose those free months.
- This promotion is not available in conjunction with the Y summer membership or holiday membership offers.
- The Y reserves the right to deny a free month(s) if the referral program appears to be abused by either the new or current member. The spirit of the program is to reward true referrals.
- Rules are subject to change. Current rules will be posted on [www.jcymca.org](http://www.jcymca.org).
