Thank you to our Volunteers!

Many individuals, private businesses and corporations in Jefferson City and the surrounding area have donated countless auction items since the first YMCA auction 33 years ago! We depend on this continued support and our gratitude is much more than a simple thank you note can relate.

But most of all, the auction would not be possible without the dedicated volunteers who have made this event so successful. Whether procuring items for the auction, decorating for the evening, helping with invitations, or any of the other tasks that must be done, our hats are off to you. You've made it possible, and to you we say THANK YOU. A list of committee chairpersons appears below – these people are only the tip of the iceberg. Each committee chair recruited many others to help with assigned tasks.

To each and every volunteer – you have our deepest appreciation for giving your time and talents to make this event possible. Thank you!

LIVE AUCTION RULES

1. The live auction will begin at approximately 7:40 p.m. Doors will open at 4:30 p.m. in order to give you an opportunity to view the various items prior to bidding.
2. In order to enter a bid in the live auction, bidder must attract the attention of the auctioneer or a spotter with a raised bidding paddle. This must be repeated each time you initiate or increase the bid. Each bid obligates the bidder to pay the bid at the fall of the auctioneer's hammer. The auction will be fast paced so the bids must be made quickly.
3. Payment may be made by cash, check, Visa, Mastercard or Discover. Payment in full is mandatory before leaving the auction.
4. All sales are final and there will be no exchange or refund on items except where specified. Unless specified differently, all purchases must be redeemed within a year from date of auction.
5. Values set forth opposite the items being auctioned are donor's estimates and are not warranted by the YMCA for tax purposes or for general value.
6. The YMCA has endeavored to catalogue and describe the items and services correctly. However, everything is sold "as is." Certain auction items and/or services may have restrictions and other qualifications which may affect value, application or use thereof to the bidder. Many items, such as vacation homes and condos, are nontransferable. Purchases are bound by the precise restrictions specified by the donors. Please read carefully the specifications and limitations.
7. The YMCA makes no express or implied warranties or representations of any kind or nature with respect to the property or services and in no event shall be responsible for the correctness, authenticity or condition of the property or services and no statement in the catalogue or made at the sale or in the bill of sale or invoice or elsewhere shall be deemed such a warranty or representation or an assumption of liability. By his or her purchase, the buyer waives any claims for liability against either the YMCA or the donor of the property or services, and neither the YMCA nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of property or services sold.
8. If one's bid is more than the quoted value of the item, this excess may be considered as a donation to the YMCA and claimed on one's tax statement. The YMCA may provide verification if donation is more than \$250 of quoted value.
9. All items must be removed the evening of the auction (except for unusually large items).

LIVESTRONG®

FOUNDATION

The Jefferson City Area YMCA and LIVESTRONG have joined together to offer LIVESTRONG at the YMCA, a FREE research-based physical activity and well-being program designed to help adult cancer survivors achieve their health goals.

How It Works:

- A LIVESTRONG at the YMCA professional interviews the survivor to determine if the program meets the survivor's needs and to get permission from his/her doctor.
- Participants and their family receive a FREE four-month family membership at the Y.
- A LIVESTRONG at the YMCA professional develops a plan based on the needs of the survivor that incorporates cardiovascular exercise, resistance training, balance and flexibility.
- Survivors meet in a group setting twice a week for 12 weeks.

To learn more, contact the Y at 573.761.3225.
