BRENDA CHICK SCHOLARSHIP FUND

The Brenda Chick Scholarship Fund was created in honor of Brenda Chick's dedication and commitment of 25 years of service to YMCA members. Brenda exemplifies the meaning of true servant leadership, and is a vivid example of what holistic health is all about. Accordingly, the parameters of this scholarship are also holistic, modeling the mission of the Jefferson City Area YMCA. Through youth development, healthy living, and social responsibility it will bring a positive change to the lives of the individuals and families involved. Each scholarship allocation will be awarded to individuals and families who are committed to making a lifestyle change specifically, within the area of Health & Wellness. Funding will be used toward the cost of Personal Training. For more information, please call 573.761.3225.
