About the Scholarship's Namesake: Don Eisinger has been a Coach with the Barracuda Swim Team since 2013. Don also served as Barracuda Parent Board President and has been involved in every aspect of Barracuda swimming since the 1980's. During this time, swimming has evolved with new techniques and training methods, and he has implemented new ideas and the program has prospered during his tenure. He has exemplified the YMCA core values of Respect, Responsibility, Caring and Honesty in his time with the Barracudas swimmers. He has mentored new coaches and been a role model to them as well.
