MISSOURI YMCA YOUTH AND GOVERNMENT

Youth and Government (YAG) is a national YMCA program that prepares students for responsible leadership in the American democratic process by providing guidance, training, and experience in the theory and practice of determining public policy. Each year, over 900 Missouri teens gather in Jefferson City for one of our two State Conferences, where they debate student-written bills in a mock legislature, try a mock appellate case, cover the events in the media program.

PROGRAM FORMAT

Students in grades 8-12 work within their local school or YMCA as a delegation, preparing for the annual State Conference. Each delegation focuses on researching or writing bills, learning proper procedures, working on their case arguments, and participating in various trainings which lead up to the State Conference. At the State Conference, students use the House and Senate chambers in the State Capitol Building to conduct their legislative session. Trials are conducted at the conference hotel, and the student media covers the entire event. Also, Presiding Officers for the next State Conference are elected by all student attendees.

IMPACT ON STUDENT PARTICIPANTS

- Motivate youth to be active and engaged members of society
- Provide opportunities for understanding government and its functions
- Expand awareness and knowledge of societal issues and challenges
- Increase the ability of youth to organize and express ideas clearly and persuasively
- Stimulate tolerance and understanding of other points of view
- Give youth an opportunity to express their ideas in a responsible and constructive way

LIVE AUCTION RULES

1. The live auction will begin at approximately 7:40 p.m. Doors will open at 5 p.m. in order to give you an opportunity to view the various items prior to bidding.
2. In order to enter a bid in the live auction, bidder must attract the attention of the auctioneer or a spotter with a raised bidding paddle. This must be repeated each time you initiate or increase the bid. Each bid obligates the bidder to pay the bid at the fall of the auctioneer's hammer. The auction will be fast paced so the bids must be made quickly.
3. Payment may be made by cash, check, Visa, MasterCard, Discover, American Express or Venmo. Registration in Express Checkout or payment in full is mandatory before leaving the auction.
4. All sales are final and there will be no exchange or refund on items except where specified. Unless specified differently, all purchases must be redeemed within a year from date of auction.
5. Values set forth opposite the items being auctioned are donor's estimates and are not warranted by the YMCA for tax purposes or for general value.
6. The YMCA has endeavored to catalogue and describe the items and services correctly. However, everything is sold "as is." Certain auction items and/or services may have restrictions and other qualifications which may affect value, application or use thereof to the bidder. Many items, such as vacation homes and condos, are nontransferable. Purchases are bound by the precise restrictions specified by the donors. Please read carefully the specifications and limitations.
7. The YMCA makes no express or implied warranties or representations of any kind or nature with respect to the property or services and in no event shall be responsible for the correctness, authenticity or condition of the property or services and no statement in the catalogue or made at the sale or in the bill of sale or invoice or elsewhere shall be deemed such a warranty or representation or an assumption of liability. By his or her purchase, the buyer waives any claims for liability against either the YMCA or the donor of the property or services, and neither the YMCA nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of property or services sold.
8. If one's bid is more than the quoted value of the item, this excess may be considered as a donation to the YMCA and claimed on one's tax statement. The YMCA may provide verification if donation is more than \$250 of quoted value.
9. All items must be removed the evening of the auction.

THANK YOU!

Many individuals, private businesses and corporations in Jefferson City and the surrounding area have donated countless auction items since the first YMCA auction 38 years ago! We depend on this continued support and our gratitude is much more than a simple thank you note can relate. To each and every volunteer and donor – you have our deepest appreciation for all you do to make this event possible. A special THANK YOU to **Vicki Myers, Shelley Duncan, Ed Clausen, Denny Hamilton, Justin Morley, Rod Smith, Bill Gratz**, our YMCA Board of Directors and all the YMCA staff for their support!

**HER DREAMS ARE INFINITE.
WHICH IS WHY OURS ARE, TOO.**

Every patient has hopes and dreams. Our dreams are to help make theirs come true. That means we never compromise in our pursuit of breakthrough medicine. And we never settle when it comes to your health. Neither should you.
